**Prayer Request from Mennonite Church Canada:**

We begin the New Year with an urgent prayer request for our brothers and sisters in the Philippines. As they continue to struggle with the devastating impact of Typhoons Haiyan (Nov. 2013) and Hagupit (Dec. 2014), they are faced with the impact of another tropical storm that struck on Dec. 29, 2014. Typhoon Jangmi, locally known as Senjiang, has caused severe flooding, landslides and loss of life in some areas. Peacebuilders Community Inc. (PBCI), including Mennonite Church Canada Witness workers Dann and Joji Pantoja, are responding to the needs of several areas hit by floods. Through willing workers and local Peace and Reconciliation (PAR) Teams, they are offering relief while extending the gospel of Christ and building community. Please pray God's blessing upon the work of the Pantojas and PBCI as they model discipleship. Pray that God's grace will multiply and grow, even in the face of heartbreak and disaster.

Pray also that adequate resources will be raised for this work. If you are able to help financially, donations for relief can be sent to Mennonite Church Canada at <https://donate.mennonitechurch.ca/project/Hagupit>

Thank you for praying with us.
